3. ARCHITECTURAL CONTROL:

No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum set back line unless similarly approved.

The location and design of any storage building and/or detached garage or any other building shall be approved in writing by the Architectural Control Committee prior to construction and in accordance with Section 4 of these restrictions.

No structure of a flat roof design shall be built on any lot.

4. PROCEDURE:

The committee's approval or disapproval as required in these covenants shall be in writing. In the event that the committee, or its designated representative fails to approve or disapprove in writing within 30 days after the plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

5. BUILDING LOCATION:

No building shall be located on any lot nearer than 50 feet to the front lot line or nearer than 30 feet to any side street line.

For purposes of this covenant, eaves and steps shall not be considered a part of the building, provided, however, that this shall not be construed to permit any portion of the building on a lot to encroach upon another lot.

6. RESUBDIVISION:

No lot shall be subdivided, its boundary lines changed nor shall any street be laid out or opened across or through any lot unless approved by the Architectural Committee. This provision shall not prohibit the combining of two or more contiguous lots into one larger lot. Upon such combination, the exterior boundary lines of the resulting larger lot shall be considered in interpretation of this Declaration.

All pets shall be confined to the owner or occupants premise.

14. VEHICLES, HOBBIES AND ACTIVITIES:

No junk automobiles, cars stored for repairs or restorations, nor any other type of salvage shall be placed on a lot so as to be visible by others. 16. TERMS:

These covenants are to run with the land and shall be binding on all parties and on all persons claiming under them for a period of 30 years from the date these covenants are recorded after which time said covenants shall be automatically extended for successive periods of ten years unless an instrument signed by a majority of the owners of the lots has been recorded agreeing to change said covenants in whole or in part.

17. ENFORCEMENT:
