

Location Drawing
Scale 1" = 160'

This plat is of benefit to a consumer only insofar as it is required by a lender or a title insurance company or its agent in connection with a contemplated transfer, financing or refinancing of real property. This plat is not to be relied upon for the establishment or location of fences, garages, buildings, dwellings or other existing or future improvements nor does this plat purport to reflect plat data or other distances with any specific level of accuracy. This plat does not provide for the accurate identification of property boundary lines, but only identification of the location of the boundary lines. The approximate location of the boundary lines may not be required for the identification of the boundary lines. The identification of the boundary lines is shown in relation to the apparent property lines for the property known as 16401 Mount Calvert Road, Prince Georges County, Maryland.
